## LOCKDOWN

It seems to never end!

It is difficult to be a choir when you cannot perform – especially when the Message you bring is the most important that anyone can hear.

**But we will not despair.** Our website is not only a support to choir members providing news and music scores and practice clips and reminders of past events but is also a means of keeping our singing available to everyone.

For that reason, some of the choir's performances are on video to watch and hear.

These recordings are taken from live events and so are not studio perfect.

Also, you can read Testimonies and Observations from Choir Members and enjoy some of the Poetry from our Resident Poet, Russell.

The choir performs in many different venues such as Choir Festivals, Churches, Care Homes, Community Centres, and have even performed in Prisons and at School Events. It has also been our pleasure to share an evening, on two occasions, with Bobby Ball, the TV comedian, whilst, at the other end of the spectrum, we supported the Archbishop of York, who was telling his life story at Bridlington Spa Theatre.

Our programme has Gospel Music and appropriate Secular Music, Poetry, Monologues and Talks about our reason for Singing.

We don't know yet when we will be able to perform again. However, we'll be ready when the call comes. God willing !!!

Please sign up on our website to receive future Newsletters.
